Those who are not already members of one of the three Boys and Girls Clubs must become members to be covered under this plan. Note: The maximum amounts are used to determine amounts payable under each Benefit. Actual amounts payable will not exceed the maximums, and may be less than the maximums under circumstances specified in the policy.

Aggregate limit \$38,000

Liability:

"Directors and Officers Liability Insurance" covers the Boys and Girls Club and any named volunteers and/or staff in the event WE are sued, with a \$2,000,000 limit of liability. This only applies for issues resulting from Boys and Girls Club related programs and only if the Boys and Girls Club is named in the suit.

Certificates of Liability provided to school districts:

**Limits: Each occurrence \$5,000,000; Damage to rented premises \$250,000; Fire Legal Liability- \$1,000,000; Medical Expenses (Any one person) \$5,000; Personal & Advertising Injury \$5,000,000; General Aggregate \$10,000,000; Emp Ben. \$5,000,000.**

A blanket liability certificate exists for GEJFA. The following school districts are currently on file: Issaquah, Northshore (football and cheer), Renton, Bellevue, Riverview, and Mukilteo along with Woodinville High School and Bothell Cougar Jr Football & Cheer. We also have Certificates of Liability for football with Issaquah Parks, City of Mercer Island, King County Parks, Bellevue Christian, most Bellevue Schools, and the City of Shoreline. If your Club is an "Outreach Member", call Meghan Waddle at the Bellevue Boys and Girls Club (425-454-6162) and she will arrange to have the insurance company provide you with a Certificate.

Should Systems have their own policies:

"Outreach Member" Clubs in particular are encouraged to have their own separate insurance policy to protect their own property (e.g., football equipment and any storage buildings) against damages. The Boys and Girls Clubs cover only that equipment which is within their own respective Clubs. Also, each Club should consider general liability coverage for any activities of the Club in the off-season or those activities during the season that may not be directly related to GEJFA.

Other coverage possibilities:

Totally independent of GEJFA and the Boys and Girls Clubs, certain coach training involving program membership, e.g., USA Football, National Alliance for Youth Sports (NAYS) provide excess general liability and excess accident medical expense coverage as one of the benefits to those who complete the training and pay the membership fee.
