

The Vikings Junior Football & Cheer (VJFC) Board of Directors has an obligation to every member of our organization to manage VJFC resources to keep registration costs as low as possible. In the past few years, VJFC have incurred avoidable costs when VJFC equipment was not returned by our players at the end of the football season. Our current equipment hand-out totals \$520.00.

To fulfill VJFC’s financial responsibilities to our Members, the Board adopted the following return policy to ensure equipment is returned as indicated.

Equipment Return Policy: Players will be required to bring to the final game of their season:

1. A change of clothing
2. Game uniforms, equipment
3. Practice uniforms

Any player who fails to return his/her uniforms and equipment, or turns in damaged equipment aside from normal ‘wear and tear’ must pay the equipment replacement costs of the missing and/or damaged item using the table listed below.
